Happy Holidays!

Dear Parents,

Greetings from Seedling Modern International Academy!

As parents, it is important to invest your time with your children. Enjoy their childhood as in a few years from now they'll be all grown up and on their own!

Here's a list of shared activities which you can enjoy with your children and cherish these times forever.

- Eat at least two meals together with your children. Ask them not to waste food and explain to them the importance of the hard work the farmers put in to grow food.
- Allow them to help you in cooking. Let them make a dish on their own and serve it to the entire family.
- Let them pick up their plates and put them in the kitchen after every meal, in fact teach them to wash their own plates too. Children learn dignity of labour from such activities.
- Avoid giving junk food like chocolates, jellies, cakes, wafers, aerated drinks and fried stuff to your children. Cultivate a healthy eating habit among them.
- Share your family history and stories about your childhood.
- Visit elderly relatives and let your children bond with them. Click pictures with them. This emotional support and love is important for your children.
- Take your children to a local market.
- Take your children to your work place so that they get an insight into the amount of hard work you do to support the family.
- Keep your children's screen time limited. Screens include T.V., mobile phones, computers and other electronic gadgets.
- Encourage your children to read many age appropriate story books.
- Holiday homework is given basically to instill self discipline, learning and time planning. It is suggested that every day the child should spend some time studying or doing an interesting and constructive activity.

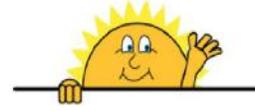

Best wishes for a marvelous time with your children

Grade - I to III (2019-2020)

Happy Holidays!

Dear Parents,

Greetings from Seedling Modern International Academy!

The much awaited holidays are here yet again and it's time to play and have fun!! We have planned for you some fun activities to make the optimum use of your energy and give a vent to your creativity so that you continue learning during the holiday break as well.

This is a welcome break for all of you to enjoy, explore and do things on your own. Time and tide wait for none. So, value your time and make optimum use of it. Please take care of your health. Consume lots of juicy fruits to beat the summer heat. Go and meet all your relatives, spend time with them and make them feel how important they are for you. Learn something new and make your parents feel proud of you. Also take out some time to enjoy and complete the holidays homework.

- Parents are requested to encourage their ward to do the homework independently.
- They can help the child if he/she needs help.
- Creativity and originality of the work will be appreciated
- Compile and put your holiday homework in Project book.

Watching stories is a great way to refresh our mind and improve our listening and observation skills. Your holiday homework is based on Malgudi Days an Indian television series based on the works of R.K.Narayan. So, during your holidays watch the episode number 17, 23, 26 and 43.

ENGLISH

Q1. Write the Character Sketch of any two characters that you liked the most in "The Malgudi Days".

Q2. After watching "The Malgudi Days" you had some mixed feelings (likings / dislikings). Share your experiences with your diary.

Q3. Write any 10 new words with their meanings after watching the movie (Dictionary Work).

G.P.

Q1. Mark the areas of Malgudi days on the political map of India

- Neighbouring states
- Search the neighbouring area of Swami's place
- Write the food habits and festivals of this area.

MATHEMATICS

A person who makes and breaks the code is known as a cryptographer.

Let us form a code using numbers and English letters.

Q1 Write coded name of the following set of characters taken from different episodes as shown in the example.

e.g Name is RADHA

R is at 18th place , A--1 , D -4 . H-8 , A-1

Code name of RADHA is 181481

- a) Leela Sidha, Kamla
- b) Dodu , Seenu, Laxmi
- c) Swami , Mani, Rajam

Q.2 Insert commas and write number name and expanded form of each number formed after coding each character in question. (For class V & VI)

Q3. Write numbers in each part of Q1 in ascending order.

Q4. Draw and fill the following table:

Name of the character from the episodes	Approximate age of the character	Age in Roman Numeral

Q5. In the episode 26 (Dudo) write the number of following items and draw a pictograph for the information collected

- Number of post cards bought
- Number of brown stamps bought
- Number of green stamps bought
- Number of books on the table

SCIENCE

Watch the mentioned episodes of Malgudi days and gain the knowledge about flora and fauna. Vacation time!!!!!!!!!!!!!! As most of you would be visiting different places, you need to be observant and explore the natural resources flora and fauna around you.

*Students will visit a nursery or garden and will collect any five kinds of leaves, dry them and will paste in their Project book and will write few information (medicinal use) they collected along with it. In which episode did the boy collect leaves and why?

*Students will be able to know about the endangered species (Tigers) in episode A Hero.

Why did the man eat guard the prey? Create a food chain using the prey, man eater and other members of your own imagination.

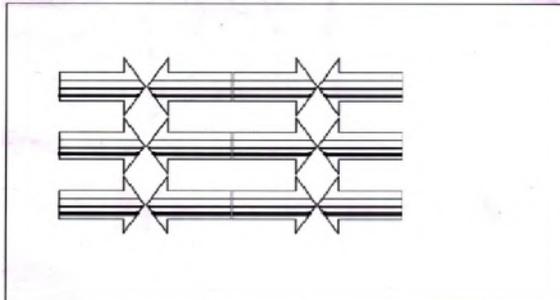

Also find out five names of other endangered species and paste their pictures.

• Make a comparative study of storage devices (any two) used in ancient times and new era on the basis of the following terms: o Speed o Size o Memory

• Also write a paragraph of about 50 words to share your views on different storage media used by ancient times and new era in your project notebook.

CREATE THE PATTERN BELOW. [FOR CLASS - IV]
